Dear Ms. Andelt:

Thank you for bringing to my attention your interest in extending tuition remission benefits to part-time permanent employees. I certainly agree that such a benefit would be advantageous for the University.

The most effective way to initiate this change in benefits for persons who are employed less than 1.0 FTE. is to ask our campus-wide Employee Benefits Committee to study the matter and explore what options we might have. By copy of this letter, I am requesting that Professor Agnes Adams of the University Libraries, who chairs that committee, bring this item for the committee review and discussion. You may wish to call Professor Adams (2-3628) to discuss your ideas in this regard. I will personally encourage the committee to give this idea full consideration.

Sincerely,

A handwritten signature in black ink, reading "Graham B. Spanier".
